With the hustle and bustle of the opening of school, the new '61 Student Council started working. Among the many successful projects were the Carnival, Clean-up Campaign, Sportsmanship Week, and Twerp Week and Dance.

Besides these projects the Student Council also donated five hundred and fifty dollars for library improvements and ran the supply store.

The 1960-61 Dragnet enlarged to a 6-page regular edition and set publication dates bi-weekly to mark the newspaper's best year at duPont and become the most frequently edited paper of its size in North Florida.

Newspaper workers earned journalism credits for the first time in the school's history as the journal was revitalized under the influence of a new advisor and a young staff. To keep the Dragnet on a solvent basis, staffers sponsored the first Victory Dance of the season and helped to publish student directories.

Going far afield to keep up with the world of communications Dragnet members also marked the year with visits to a daily newspaper, a television station, and several journalism conventions throughout the state.

ALIDUPAN STAFF

DuPont's Alidupan Staff produced the 1961 yearbook under pressure from reduced finances and a change in sponsor. Advertisements became more difficult to obtain and, for the first time in the school's history, clubs and organizations were not charged for their page. This meant the staff sold candy and snow-cones every afternoon. Mrs. Laura Smith, advisor since the very first edition of the Alidupan, left after getting things started. Mr. Humphries was the replacement, and because of his slave driving, the office was nicknamed "Uncle Jack's Cabin."

LIBRARY COUNCIL

Throughout this year Miss Roberts, Miss Hilton and the members of the Library Council have tried to increase the efficiency of the library. Together they have worked so that the students would have the best selection of books and periodicals.

By the efforts of these people we are assured that the library will continue to serve the students of duPont and maintain the high standard that has been set this past year.

By the faithful service of the Projectionist Club the Audio-Visual Aids department is run in a smooth, efficient manner. The young projectionists under the supervision of Mr. Carl Ulrich provide a needed service while learning skills and acquiring experience.

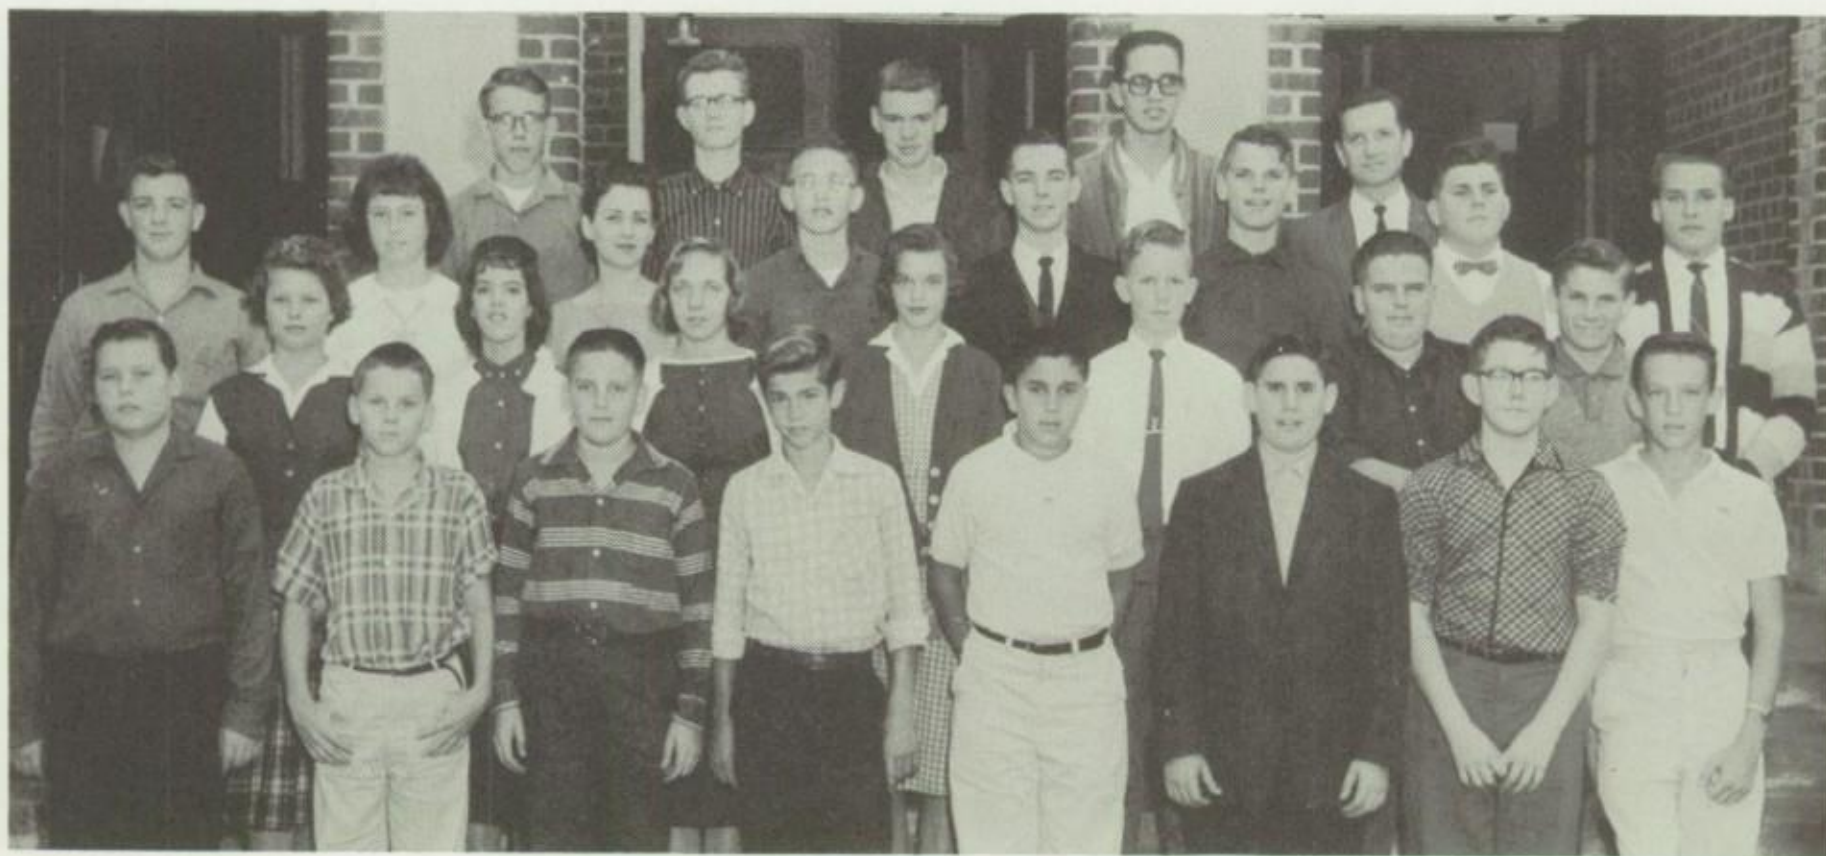

Teachers and students alike owe a great debt of gratitude for the many services rendered by this club.

GIRLS

The Senior Girls will have memories of a wonderful year. The Christmas Dance which they sponsored was a big success. To end their senior year, they gave a luncheon for all senior girls and their mothers and had a party at the beach.

The event that will perhaps be remembered the longest is the annual Buttons and Bows Football game. After days of rugged practice, the Senior Girls beat the Junior Girls 2-0 in a hard fought battle. To celebrate their victory, they had a fried chicken banquet for all players, coaches, and cheerleaders—and oh, what cheerleaders!

There go those BOWS again!

FELLOWS

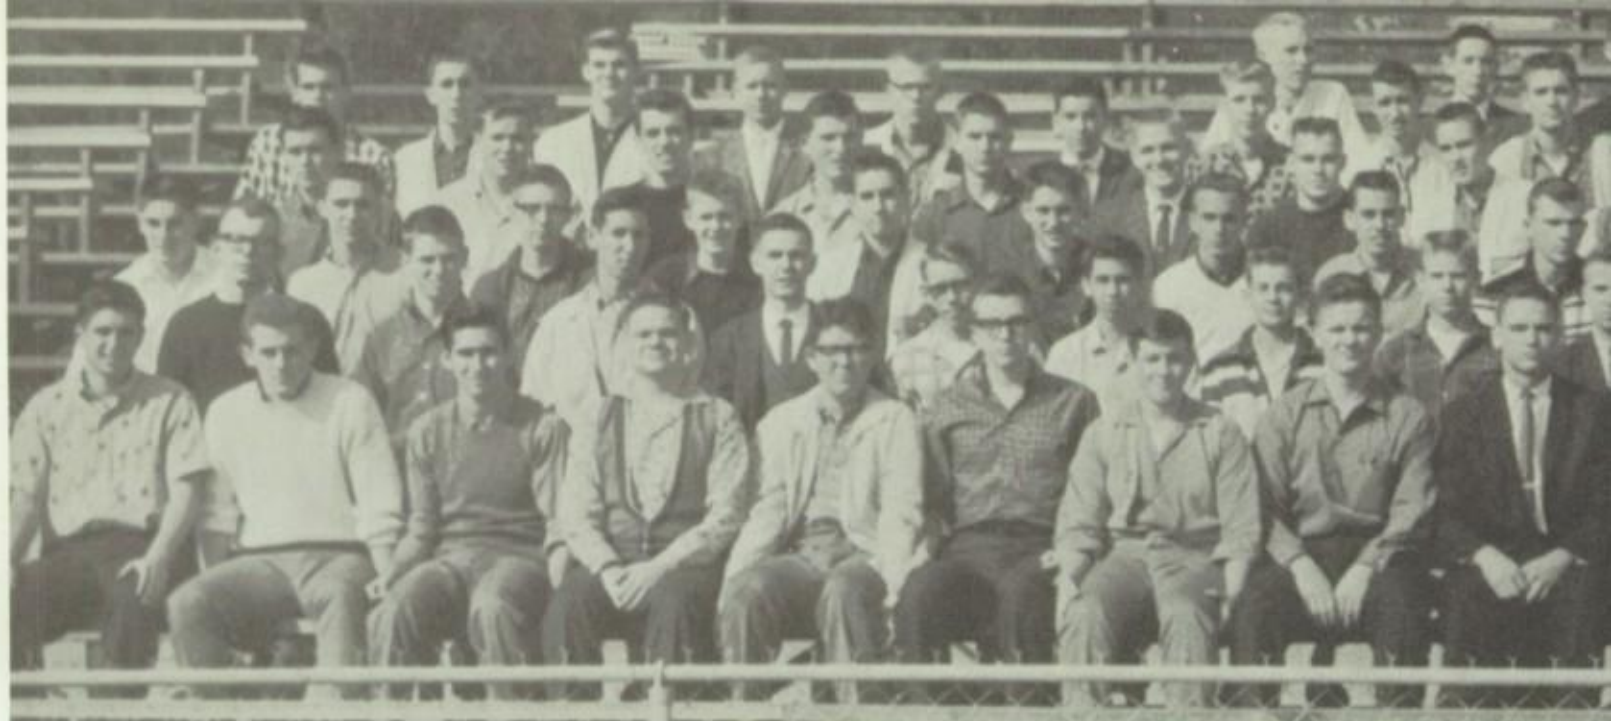

Starting the year with a bang, the Senior Fellows produced the best burlesque show in duPont's history. The chorus line, consisting of Two-Ton Tilly, Ramona, Cuddles, Terina, Jugs, Christina, Ophelia, and Sally Oop never failed to bring peals of laughter from the audience.

The Senior Fellows showed very good judgment in selecting their mascot, Jana McCard, who won for them the title of Miss duPont, 1960-61. They also won third place in the Homecoming parade for their float which featured Jana.

The Senior Fellows' most appreciated accomplishment was the help they gave in the annual Buttons and Bows football game. The boys, after giving the Senior Girls expert football coaching, cheered them to victory over the Junior Girls.

Fellows, your signs are coming off!

DuPont's 1961 Key Club left an outstanding service record in the school and community while increasing its membership to the greatest number in the school's history. High points of the year included the annual Thanksgiving basket program, projects to aid the PTA and faculty, the Florida State Convention in Jacksonville, and the Sweetheart Dance. Through the sale of light bulbs and bookcovers, and the Carnival hamburger stand money was raised to finance service and social activities.

Miss Janice Coley was crowned Key Club Sweetheart at the beautiful Valentine Dance in 1960 and served capably until the new Sweetheart was announced at the elaborate 1961 affair.

Key Clubbers are recommended by the faculty and selected on the basis of leadership ability, character, and scholastic standing. Key Clubs are among the most respected youth service organizations in the nation.

DuPont's "D" Club, under the direction of new sponsor Coach Joe Andrews, is designed to give recognition to the school's outstanding athletes.

Those who have earned varsity letters in football, basketball, baseball, tennis, golf, swimming, weight lifting, or cheerleading are eligible for membership, making "D" one of the most exclusive clubs in the school. While it has formerly in the past been chiefly an honorary group, this year the "D" Club took steps to become an active service organization, and took part in several projects for school improvement.

Included in this active year have been a trip to Gainesville for the Florida High School Drama Conference, the Southeastern Theatre Convention in Miami, and a workshop at Jacksonville University. The group, under the efficient direction of Mr. John Madigan, presented a one-act play, "A More Perfect Union," for the public, and participated in the Florida Fall Arts Festival with a choral reading, "Unto Us The Living."

PARENT TEACHER ASSOCIATION

With the theme "Our School and Your Future," the duPont Parent Teacher Association completed perhaps its most successful year. Membership reached 1200, the highest in school history and earned a place on the membership Honor Roll of Florida P. T. A.'s.

Chief beneficiary of this year's hard work was the Library. Aid to the Evaluation Program included entertaining the Visiting Committee, Faculty and Staff, and county school officials with a dinner, and serving coffee and snacks to the Visiting Committee during its three-day inspection of duPont. Working right up to the end of the year, the members sponsored the Graduation Dance.

Programs were aimed at bringing the parents closer to the school; a good start was made with the successful Open House in October.

These hard working parents devote numerous hours in helping the duPont Band in many ways. Since money is always needed for uniforms, music, and travel, theirs is a never ending job. Some of those who have labored so hard are pictured on this page.

This year Alpha Hi-Y participated in many varied activities. Their main service project for the year was the distribution of students directories prior to Christmas time. During the Christmas Holidays, Alpha donated much time to the Y.

Their big social event for the year was the annual Shipwreck Dance. Prizes were awarded for the best costume and the best beard.

To finish up the year, they held a party at the beach.

SIGMA Y-TEENS

Sigma Y-Teens and Kappa Y-Teens are both active clubs of duPont; their main purposes are to develop Christian principles and to serve the community. To raise money the girls had cookie sales and car washes. They enjoyed many social events and worth while service projects, which contributed to a successful year.

Theta Y-Teens is one of the most active Junior High Clubs at duPont. Under the leadership of Mrs. Smith, these girls have tried to serve both school and community. At Thanksgiving a turkey was provided for a needy family; and at Christmas, members of Theta made Christmas stockings for the Duval Medical Center.

To raise funds the girls had three car washes and two cake sales. As a reward for their hard work, Theta Club members had several successful socials: a Beatnik Dance, a Devil or Angel Dance, and a Semiformal Christmas Dance. All of these dances were held at the Y.W.C.A.

Combining service and social events to good advantage, they sent Thanksgiving and Christmas baskets to needy families and sponsored a semi-formal Valentine's Dance on February 10 at the Y.W.C.A.

Court shows enthusiasm over the game!

Clouds hung low in November as Homecoming got under way with the traditional parade after school. Several times the floats were subjected to some rain, but most of the dampness occurred during the return; participants were damp but spirit was unharmed by the tour of Lakewood. Don Quixote finally claimed a victory as the Spanish Club won first place in the parade using the ridiculous knight as its theme.

A crown and a dozen yellow roses were presented to Homecoming Queen Pat Bowden at the game with Paxon. The queen, her court and six other candidates

were nominated by the football team; the winners were elected by all of the students of duPont.

Captains Harold Krivan and Ted Lee chose Sunny Stormes and Pat Bowden to represent them in the flipping of the coin at the start of the game.

Victory was torn from the grasp of duPont's eager Dragons when the Paxon Eagles scored with 51 seconds of play left to end the game with a 13-13 tie.

Following the game was the annual Homecoming Dance in the school gym. The first dance was led by the Queen and her court.

BUTTONS AND BOWS

Feminine football fever struck duPont High again this year in the annual dispute between the Buttons and Bows. In taking the contest for the second year in a row, the Bows won by the score of 2-0. The fact that the game's only score was accounted for on a defensive effort merely accentuated the day's pattern. The Junior Girls, Buttons, were caught behind their own goal by the charging Seniors who outplayed them completely on the line to chalk up their margin in the second quarter. Bows Nancy Loggins and Sherry Patrick were the girls who broke through to doom the Buttons with the safety. Bow quarterback Patsy Gay's ten

yard dash for a T.D. in the first half was called back on a penalty. After the half, the Bows threatened to score several times but were unsuccessful. The Juniors never really got near pay dirt, although they put up a hard fight against the more experienced Senior Girls who came out of the contest with statistical supremacy in all columns.

Co-Captains for the Bows were Lee Knecht and Linda Harman while the Buttons were led by Sally Douglas and Joyce Gray. Wayne Oden was head Bow Coach; Bruce Eisle and Fletcher Fitzgerald led the Buttons' staff. A 40 and a 53 yard punt were

made for the Bows by Patsy Gay, who alternated with Kathy Jones and Sunny Stormes at the position of quarterback. Tackles Tess Winslow and Bonnie Reyes, guards Nancy Callaway and Rusty Williamson, end Patty Leupold, and center Leslie Rivers were outstanding on the line for the Bows. Halfback Jane Walsh and fullback Lee Knecht made for speed in the backfield. Outstanding on the Button line were Helen Brinson and Sally Douglas while Joyce Gray and Tommie Sue Rabby provided strength in the backfield.

Janice Coley, former Sweetheart, presents a bouquet of roses to the new Sweetheart.

Miss Johnnie Tanner, Key Club Sweetheart 1961-1962

Miss Johnnie Tanner was presented as Key Club's Sweetheart of 1961 at the Sweetheart Dance February 11, 1961, amid lavish decorations with an Old South theme. She was chosen by secret vote of this leadership club.

duPont's gym was transformed into a Southern garden for the occasion by a day of labor on the part of Key Clubbers, who installed white columns, center fountain, and soft lights to accent their theme. The bleachers were covered with "grass" to simulate a hillside.

The element which really lent the evening an antebellum flavor was costumed slaves pressed into service from the freshman class. The "slaves," chosen by Key Club as outstanding in their class, served "mint juleps" to guests at their tables.

The highpoint of the dance was the introduction of the Sweetheart and Court by Key Club President Russell Linnemann. Janice Coley, 1960 Sweetheart, presented a bouquet of roses to Johnnie, the first announcement of the best-kept secret of the year.

THE EVERCHANGING

Change—change—change. And yet duPont remained much the same. Mr. Keyton was in the Driver's Seat for the second year but with a newly refinished office. Miss Green, Mrs. Haven, Mrs. Post, Mrs. Turner, and Mrs. Williams were still here but Coach Varn, also an original duPont Staffer, left us in January to work for the school system at the Down Town office. He was replaced by Mr. Andrew. Mr. LeRoy Smith, Chief Ticket-Taker, also moved up to become a country co-ordinator, leaving Mrs. Gatz to head the Mathematics Department. 2 plus 2 was still 4!

Mrs. Laura Smith, advisor for the yearbook since she christened the first Alidupan, left. Taking over for her as Chief-Snow-Cone-Seller and Social-Studies-Head was Mr. Humphries. Jes' Jes' Fine! Miss Stanton, who retired last June, has been back substituting almost every day. Power of Habit! The English Department was intrusted to Miss Mabel Talmage.

Miss Biff Burks is the first duPont graduate to become a regular faculty member. Cheerleader now sponsors Cheerleaders. My, duPont is aging! After helping make the "Dragnet" a terrific 8-pager, Mrs. Axton departed for "greener fields." The band, with Mr. Swor still getting excellent results, has on sale its first recordings. We go

big time! Other little spinning discs were used to make Spanish and French learning easier. The Math Department went way out with a special teaching gizmo. Glory be! D.C.T. built and gave a fine Faculty Directory for the Halls of duPont High. This added a great deal; but when the roof leaked and the plaster fell, the halls often looked like Sherman had turned South instead of North after hitting Savannah.

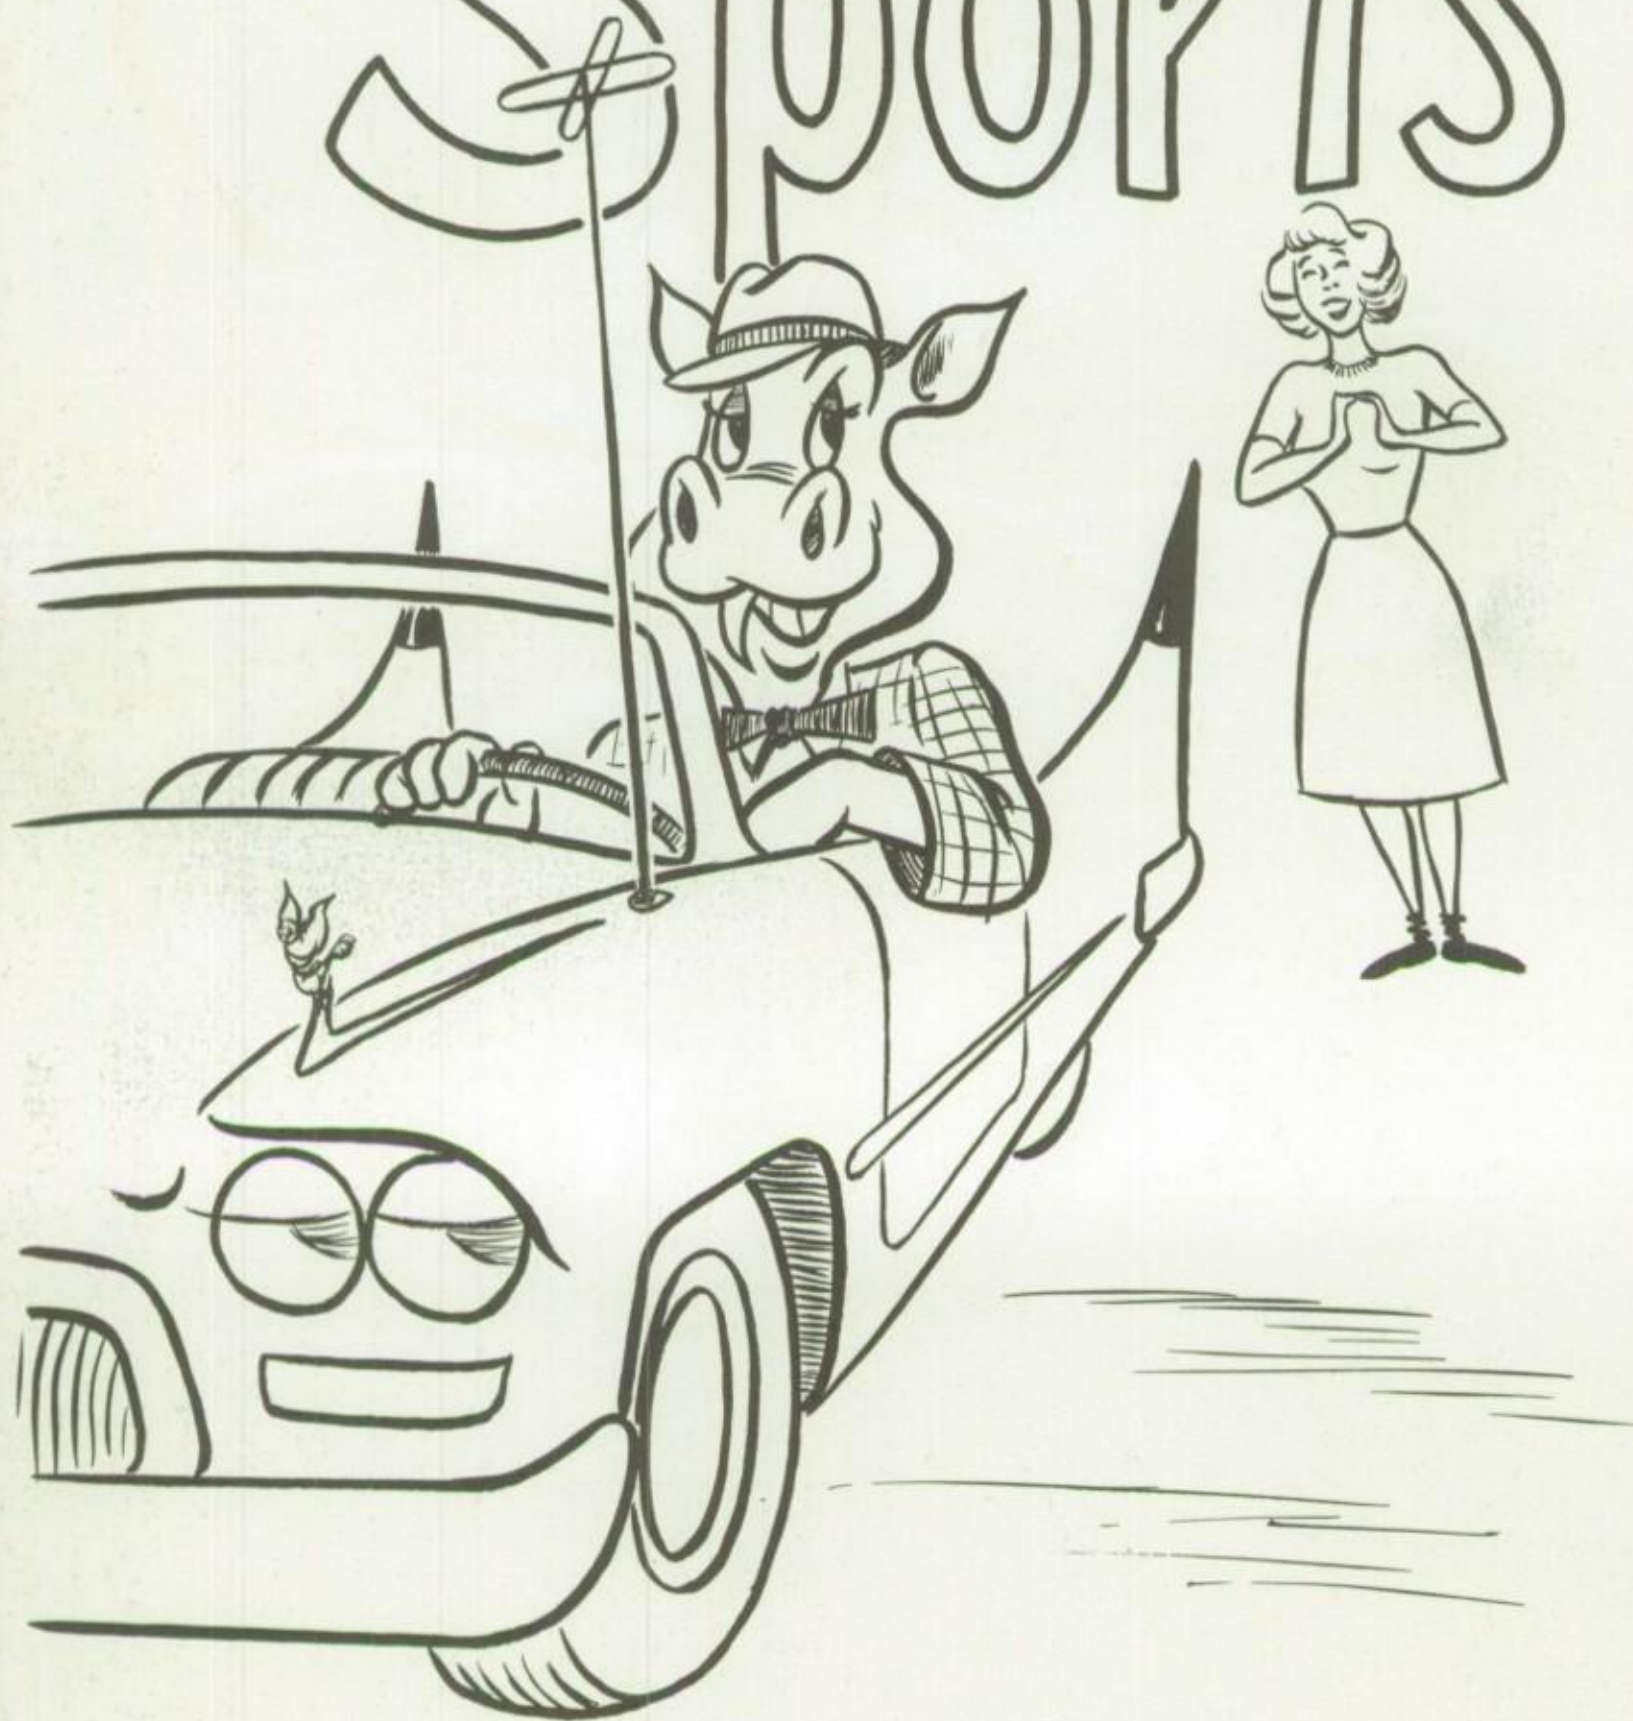

A bright pink glow was given the Cafeteria (a Student Council paint job) while the Library received muchos dineros from the Student Council and the P.T.A.

Active Stadium Boosters came through and the Cheerleaders' new fifty-foot Dragon paraded under our own goal posts, on our own field, under our own lights. And the Homecoming Parade was better than ever—and with horses, yet. Hi oh, Elmer.

Driver Education and the Road Patrol demonstrated how none of us drive—while we lined the sides of duPont Road. Senior High students got art instruction for the first time; the Junior High had its first chorus. Fencing joined a long list of activities. And the faculty called "touché" as they bumped into each other preparing for the five-year Evaluation.

duPont scores a T.D.

DUPONT 19 – FORREST 12

The passing ability of Harold Krivan was proven early in the season as he made good two T.D. passes and set up the drive for the third tally. Receiving the passes were halfback Bobby Dunbar and end Ted Lee. John Dix scored the third tally from the one yard line. He led the duPont backfield with 64 yards.

DUPONT 13 – FLETCHER 0

With Ray Wilkins calling the signals for the Dragon offense, and R. V. Wheeler heading a strong defensive unit, duPont had little trouble defeating the Senators. Wilkins engineered the first T.D. with a 54 yard drive which Fletcher Fitzgerald completed by scoring from the two yard line. Melvin Gibbs proved his running ability by leading the duPont ground gainers with 71 yards and scoring the second T.D.

When the 1960 football season ended, the duPont Dragons' record was not as bright as some had predicted. Many felt, before the beginning of the season, that the Dragons would pull a 7-3-0 record. Not all teams should be scrutinized in terms of statistics, however, for the Dragons were certainly no "push over" for any team they played. Among the brighter spots of the season were the offensive playing of end Ted Lee, who was chosen by the Times Union and the Jacksonville Journal as All City End,

KENNY 13 – DUPONT 7

The Crusaders upset the duPont team in this one, destroying the hopes of the Dragons to make it two wins in a row. Although they were favored to win by as many as three touchdowns, the Dragons scored only one, as Ray Wilkins fired to end Jimmy Whitley for a forty-two yard T.D. pass.

TERRY PARKER 7 – DUPONT 0

The defensive unit for the Dragons led by Bruce Eisle, Wayne Oden, R. V. Wheeler, Ted Lee, and Terry Higginbotham kept the hopes of the fans alive despite the fumbles and pass interceptions plaguing the offense. Although duPont seemed to out-play Terry Parker, the offense was unable to obtain any momentum until the final minutes of the game. This drive was stalled, however, when one of Krivan's passes was intercepted.

DUPONT 7 – POMPANO 7

The Tornadoes scored first early in the first period. duPont marched back with Melvin Gibbs and Harold Krivan paving the way for duPont's T.D. John Dix carried from the one. Ray Wilkins booted the extra point in perfect form. With the score tied, both teams battled back and forth failing to score for the duration of the game. duPont's attempt for a field goal by Wilkins was wide by inches. Chuck Marvin and Don Williamson sparked the offense.

halfbacks John Dix and Melvin Gibbs, fullback Chuck Marvin, quarterbacks Ray Wilkins and Harold Krivan, tackles R. V. Wheeler, Bruce Eisle, and Calvin Marshall, guards Wayne Oden, C. W. Acosta, and Terry Higginbotham, and center Jim Washburn. In recapping the season, it is interesting to note that with the exception of Englewood, no team outscored the Dragon 11 by more than one touchdown, and the ties would seem to indicate the determination of the Dragons.

duPont relaxes at halftime of Fletcher game

BOLLES 19 – DUPONT 13

The Cadets jumped off to a fast 7-0 lead in the opening seconds of the first quarter and the Dragons were never quite able to recover. Ray Wilkins engineered the duPont scores and a drive to the one foot line but the Dragon offense was unable to put it over. Melvin Gibbs led the duPont backfield with 69 yards and Joe Boone averaged 7 yards a carry.

LANDON 13 – DUPONT 7

The last hopes of the duPont fans were dashed in the final 51 seconds of the game as the Lions fired a 64 yard T.D. pass. duPont dominated the play during the first half in which Bobby Dunbar scored from the two. John Dix had a 64 yard T.D. nullified by a penalty. Ruddy Deas and Bruce Eisle led the defense.

ENGLEWOOD 35 – DUPONT 14

The final game for 14 Seniors on the duPont Squad proved to be a disappointment. Ending prep play in the final contest were linemen R. V. Wheeler, Terry Higginbotham, C. W. Acosta, Ted Lee, Wayne Oden, Calvin Marshall, and Jimmy Whitley while in the backfield, John Dix, Melvin Gibbs, Harold Krivan, Don Williamson, Chuck Marvin, Chris Caldwell, and Bobby Dunbar. The passing efforts of Ray Wilkins with Ted Lee and Chuck Marvin on the receiving end gave the Dragons their only two tallies. One of the brighter moments of the game for duPont occurred when Don Williamson made a thirty-five yard run which was nearly half the total yardage gained by the Dragons during the game.

Thanksgiving Day in our own stadium.

DUPONT 0 – RIBAULT 0

The Dragon defense was the biggest factor in this game for duPont. The defense far outshone the offense in that the Dragons trailed 4 to 16 in first downs and the regular backfield unit was held to a total of 20 yards. R. V. Wheeler, Wayne Oden, Calvin Marshall, and Ted Lee led the Dragon defense.

DUPONT 13 – PAXON 13

Paxon provided a repeat performance of the Landon game for the Dragons. Again in the last 51 seconds of the game the opposing team overcame the Dragon defense to score. In this one, however, the defense stalled the extra point try and settled for the tie. John Dix and Bobby Dunbar provided duPont with its two tallies for the evening. Ruddy Deas sparked the duPont defense.

Dedication of duPont Field

The Stadium Boosters, under the capable leadership of Mr. Morcom, were able to provide duPont with a complete athletic field and bleachers at the start of the school year.

The Boosters are composed of parents interested in improving duPont's sports facilities by means of yearly pledges. Co-operation between the Athletic Department and the Boosters has made possible such things as the banquet for the athletes at the end of each season.

VARSITY CHEERLEADERS

Priscilla Butts, Co-captain; Linda Kilburn, Captain.

This squad of eleven girls has given hours of hard work to boost the spirit of duPont students. Practice brought them recognition at the Florida State University Cheerleading Clinic where they were awarded a superior rating. They also brought honor to duPont by winning first place in a cheering contest in which all Duval County high schools competed.

Most of their free time last summer was spent constructing a sixty foot dragon which paraded on the football field before the games and during half time. This contributed greatly to the spirit of duPont.
